

Bandit's Adoption & Rescue of K-9's

BARK FUNDRAISER – Upcoming Online Auction Event

BARK has partnered with EbidLocal.com to raise funds to help provide necessary surgeries, emergency services, and on-going care for puppies and adult dogs in need. BARK is a 501(c)(3) non-profit organization. All donations are **tax-deductible**. BARK is 100% volunteer-operated.

To further their good work, we have arranged special sponsor underwriting for this special charity sales event so **100% of BID PROCEEDS go directly to BARK!***

Donations are now being accepted, and you can donate quite literally anything:

Jewelry (costume and/or fine), Coins, Furniture, Tools, Household/Yard Items (i.e. Lamps, Rugs, Planters), Artwork, Crafts, Antiques, Collectibles, Vacation Weeks, and even Services or Gift Cards! *(No clothing, please!)*

Even the smallest amount or single item makes a BIG difference!

Proceeds from this event will help dogs like Banjo. Banjo was found wandering alongside a highway dragging his leg after apparently being hit by a car. Due to extensive nerve damage, this sweet boy will need to have his leg amputated. BARK rescued Banjo from a local shelter and with fundraising events like this one, will cover the cost of his surgery and recovery. Please help Banjo and other BARK dogs in need... 100% of your donation goes to the dogs!

DONATION & BIDDER INFORMATION

EbidLocal.com specializes in Internet-based, Asset Sales Events (Online Auctions). Sales Events are great places for entrepreneurs and bargain shoppers alike providing a forum for Buyers and Sellers to find or sell literally just about anything. For Buyers, it's a great way to find good deals on just about anything from rare or unusual collectibles, to everyday items. For Sellers, this is a great way to reach the largest possible audience, making sure all your items rise to the highest possible resale market price, creating results 1.5x-3.0x greater than other methodologies.

Buying items on EbidLocal.com is fun, easy and safe. View items online before bidding, and for most auctions, there are On-Site preview times available so that you can see, up close, the item you are bidding on prior to making an actual bid. LIVE PREVIEW IS VERY IMPORTANT! This is your only real opportunity to determine the condition, usefulness, and any other purchase criteria to make your own informed bidding decisions.

Easy to register: Log onto EbidLocal.com and click the *REGISTER* button at the top of the page. This page will explain the auction process and the terms and conditions of bidding with EbidLocal.com. At the bottom of the page, select "*Click here to register for a bidding number*". This will take you to the registration page where you will enter your information, acknowledge that you have read the terms and conditions and submit your registration information. A bidder number will then be forwarded to your email address. With this bidder number and the password you selected on the registration page, you are ready to bid!

Online bidding is convenient! No need to travel or spend time in person waiting for your lot to come up, only to endure the frustration that arises when someone else wins the prize you made all that effort for. Bidding online eliminates that frustration! View the items on your computer whenever and however often you choose. Place your bid at any time prior to close of the auction; you may place one bid at a time or use our MAXBID feature which allows the computer to bid on your behalf until the item reaches the MAXBID you specify. This protects you from losing an item to a "last minute bidder" for less than you might have been willing to pay. EbidLocal.com also uses Dynamic Closing, where the closing time of a lot is automatically extended an additional number of minutes whenever a bid is placed within the last few minutes of the lot's closing time.

Please see our website for usual terms and conditions: www.EbidLocal.com (*The 15% Buyer's Premium over bid price covers direct online charges, ecommerce and other costs to bring you this event.)

Please help BARK to help me, and animals in need like me!

Thanks!
